

# The HPV primary screening algorithm

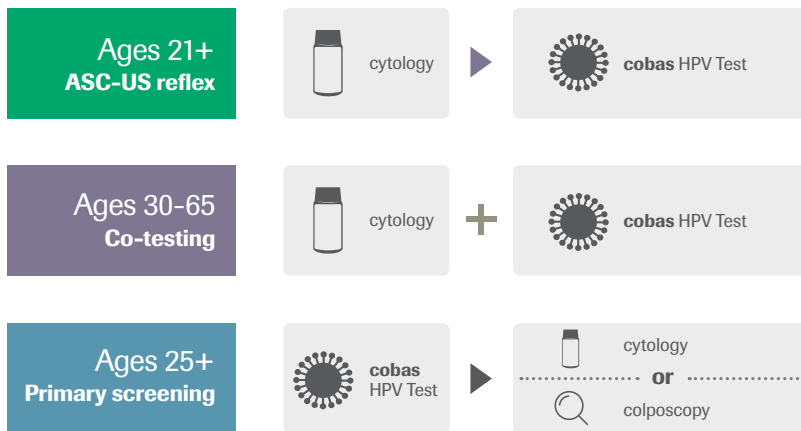

Using the most sensitive test first for specific patient management

*The only HPV test FDA-approved as a first-line primary screening tool for cervical cancer in women  $\geq 25$  years of age.<sup>1</sup> Supported as an option for cervical cancer screening by SGO and ASCCP.<sup>2</sup>*

# Does your HPV test offer all 3 screening options?

Ask about the cobas<sup>®</sup> HPV Test for all your screening needs, or visit [www.hpv16and18.com](http://www.hpv16and18.com).
